## REFFIND expands into New Zealand with two customer wins

Employee experience technology company REFFIND Limited (ASX:RFN) is expanding into the New Zealand market with the signing of two of the country's largest publicly-listed companies.

New Zealand's largest airline as well as a leading construction company will commence use of the REFFIND platform.

"These two customer wins represent REFFIND's first major foray into the New Zealand market. It's great to see client growth in New Zealand, in addition to a strong pipeline in Australia and the US. This marks the beginning of a future of strong growth for the company in New Zealand, and illustrates the growing demand for REFFIND's products and services," said REFFIND Co-Founder and Managing Director Jamie Pride.

"The signing of clients of this magnitude highlights the continuing strength of REFFIND's business development efforts and the desire from such corporates to improve the employee experience."
